1.1 | Head

Significance of "head" => sense of **identity**.

- Difference between identity vs. uniformity
 - Head is a sense of identity
 - Head as the uniqueness of each individual
- Head as an object to be paraded, a mark of a person's identity and humanity
- "Head rolling": turning onto itself, snobish, amplification
- Cannot be stopped rolling => propagation can't stop

1.2 | Irony

The book as a mark of irony

- Land-deed meal vs Thanksgiving meal => the former, a celebration; the latter, mass murder
- Native Americans as the stewards of the land, but ending up being painted as an out-group
