1.1 | abigail and john dynamic?

uh..

abigail attacked johns wife, and proctor is angry at himself and abigail ties back to public vs private irl: 11 and 60! wtf! itb: 17 and 35

talking around something

- what does "touch" mean:
 - physical? souls?
 - "cut off my hand before i reach for you *again*"
 - spent many nights together

****know**** in the olden context
sexual connotations! not good!
