

1. What is the difference between colonialism vs. imperialism?

- Trying to "Fix" the other cultures — colonialism
- Trying to strengthen your own — imperialism

2. What is globalization?

- The process of the world being more inter-connection

3. How might globalization compare with imperialism?

- Rejection — imperialists will reject globalization because of the desire not to collaborate/compromise

Imperialism => Globalization * Kingland => Companyland * Smaller, product-based control

But! All three things {Globalization, Imperialism, Colonialism} requires exploitation.
