

title: The Impact of Industrial Revolution, w.r.t. Asian Countries  
author: Houjun Liu  
source:[KBhHIST201ImpactsofIR  
course: HIST201

## **1 | Impact of the Industrial Revolution, "The Impact of the Western Man"**

Asian countries lost their share of world manufacturing, in a addiction to creating new systems that exclusively benefits the West.

### **1.1 | Created novel economic relationships benefiting the west**

- Coastal traders
- Shippers
- Consuls

### **1.2 | Shipped diseases around the world**

This one is simple — cholera, measles, the Freaking Plague

### **1.3 | Created worldwide infrastructure**

- Roads
- Railway
- Telegraph
- Harbors
- Civic buildings

### **1.4 | Plundered and killed during conquering**

Using... Modern Warfare

### **1.5 | Created an unstoppable advancement in military technology**

See KBhHIST201ImpactsofIR on the section .w.r.t warfare.
