## 1 | Flow

- So... This is from the perspective of the Settlers?
- Very hostile voice towards *Indians*. Describes them taking children and women, shooting people, and burning houses.
- Author gets captured
- Demonizes captors: Now away we must go with those Barbarous Creatures
  - I don't blame her lmao
- Bunch of descriptions of Indian actions and patterns
  - I ain't reading all that, don't trust me to have good notes
- I'm copying someone else's notes, I can't read this shit

## 2 | Summary

- Woman gets kidnapped, reflects on experience
- Depicts Indians as being savages/mean
