- methods of "curing the mischiefs of faction"
 - remove the cause
 - * destroying the liberty which u need for it's existence (ban it)
 - * get rid of the faction by making everyones opionions of it the same
 - control its effects
- first one is really bad! worse than the disease

Liberty is to faction, what air is to fire, an aliment,[1] without which it instantly expires.

- cant get rid of liberty to get rid of faction
 - it's like getting rid of air to get rid of fire
- second method is impracticle as the first is unwise
- causes of faction are sown in the nature of man!
