

1 | Computing Limits Algebraically

1.1 | Limit Laws

True statements that make your life better.

KBhMATH401LimitLaws

1.2 | Solving Limits

There are many, many ways of solving limits! Here's a list of 'em.

1.2.1 | Via Elimination/Factorization

Are you dealing with a rational function with holes? Start here.

See KBhMATH401LimitsEliminationMethod

1.2.2 | Via "Thinking Good"

Are you dealing with a function that goes increases quickly or decreases dramatically? Start here.
