Spent most of my time reading through the examples and consolidating research.

filtered research to include:

- Geographical or climatic features
  - hot springs!
  - covered in mist
  - beautiful nature nearby
- Famous places (□□□□□□) or products (□□□□□□)
  - many types of hot springs
  - amazing park
  - the "Hells of Beppu"
  - monkey park
- What you can see, do, and/or eat there
  - onsen food
    - \* onsen egg
  - hot springs, of course, but also hot sand baths and steam baths
  - and also, some theme parks
- Why you like it or recommend it
  - hot springs are very cool
  - food is very good
- Any other "fun facts"
  - over 100 hot springs!
  - produces more hot spring water than any other resort

### 1.0.1 | Eng Outline

1. All of Japan looks wonderful, but next time I go, I want to go to Beppu.
2. Beppu is very beautiful, but its main attraction is its hot springs
3. It has some of the most beautiful hot springs in the world, and it produces more hot spring water than any other resort!
4. Beppu has 8 hot spring sources, called the Hells of Beppu.
5. In Beppu there are over 2000 hot springs, so there is a kind of hot spring for everybody.
6. There are bathing hot springs, mud hot springs, sand hot springs, and viewing hot springs.
7. These hot springs are only for viewing, not bathing.
8. There is also very famous hot spring food.
9. This food is cooked using the hot springs.
10. Here is an onsen egg, a very famous type of onsen food.
11. If you get tired of hot springs, you can check out the monkey park.
12. The monkey park has around 1500 wild Japanese macaques.
13. Beppu also has wonderful firework shows, normally in late July.
14. In Beppu, there is something for everyone.
15. Please come!
