1 | Antebellum!

How did Andrew Jackson change what is viewed as democratic? How did Andrew Jackson change the definition of democracy?

How did the political medium shift due to the emergence of "party politics" shift the trajectory of democracy? (ability? types of legislation?)

analysis of policies as emergent property within a medium medium shift change successful policies mass democracy!

How did the political medium shift due to the emergence of "party politics" shift the trajectory of democracy? when policies become about swaying the masses, how does that change their behavior / policies?

How did the medium shift to "party politics" change what types of policies got implemented? or, much more simply, **Why was Andrew Jackson so polarizing?**
