- · India affected by the successful expansion of Islam
  - Created globalized multiculturalism
  - Expanded Indian ideas and invention to Europe
    - \* Chess
    - \* Folktale collection
    - \* Panchatantra animal fables
    - \* Literally Zero
    - \* And, Arabic Numerals (#what)
- Europeans interact with India
  - Indian very strange for Europeans
  - Created legacies and mysteries about India
  - CLAIM: Images/representations were dreamlike
    - \* Misrepresentation goes back to greco-Roman times
    - \* Viewed India as a land of strange people + desirable luxuries
  - Originally leveraged the Muslims as the point of trade, but later developed desire to handle trade w/ India independently
    - \* One attempt to do that failed very badly, i.e. Colombus. We all know where he ended up.
    - \* India was thought as sprawled throughout Asia, as in...
- Portugal in India
  - Created the first effective voyages in the Indian direction
  - Traveled around Africa to reach the coast of India, dominating Euro-asian trade
  - Created treaties with local governments
  - Established seaborne trade domination by requiring trading licenses
  - Supplied local governments with resources
    - \* American crops: potatos and corn
    - \* Luxuries: tobacco and pineapple
    - \* Other foods: tomatos and chilli
  - Also, brought Catholic Christanity with them; who could have guessed?
    - \* Converted Indians
    - \* Established Roman Pope's supermicy over already Existant Thomas Christians
    - \* Employed two strategies
      - · Please the Indians: adopted the form of a brahmin renouncer
      - · Force the Indians: instituted Inquisition to force orthodoxy
- Porchugual vs. Spain
  - Squabble squabble
  - Eventually the... Pope? settled the issue: awarding Portugal every to the east of Brazil and Spain everything to the west

## · Merchant Companies

- Novel trading strategies
- Created companies with independent armies that traded
- Promoted merchantilists monopolies on a region/a good
- Entered into political relationships to establish power = control
- Lead companies to rule Indian territory

## · The Brits

- Competition spawned from rivalry between England and France
  - \* Wiping French rule in Canada
  - \* Amercian independence w/ assistance by france
  - \* Establishing Bengal terrirory in India
- CLAIM: fighting, and winning BEI.C vs. FEI.C established Britian's Empire in India
- Fought and implicated Indian allies
  - \* Indian princes leased independently-governed trading posts ("factories") to help either one side or the other
  - \* Eventually BEI.C army defeated Mughal army in 1757, and effectively achieved independence in Bengal by installing a new governor
  - \* Delhi Emperor allowed BEI.C to be the political and millitary admin (diwani) of the region
- Goals of doing this
  - \* Failed with trading with the Dutch example
  - \* Struggles with the French to acquire new territory
  - \* Turns BEI.C from small company to one with huge rule and control
  - \* Company rule lasted from 1765-1858 when India is officially ruled by the crown
- Ruling strategy
  - \* Not army based, and instead evolved from trading companies
  - \* Goal of rulers is to eventually retire to England + consider Britain their home
  - \* Resisted the idea of colonization, otherwise may create the Amercia problem
  - \* Prevented admission of non-company Europeans, including missionaries
  - \* A few thousand Europeans controlling lots more indians
  - \* Most Europeans born and schooled in Britain and sent as adults
    - Working under the direction of the headquarters
    - · Retained British identity and ideology
  - \* Controlled large Indian army
    - · CLAIM: Success was more because of Indian manpower than of military tech
    - · Men were well-drilled
    - · Created new organizational structures
    - · Also, allied with Indian rulers
    - Gave independent control at the price of giving up control of foreign affairs + men for army
    - · Each region had a "resident" which informed and influenced strategic decisions
- 1857 Mutiny
  - \* Causes
    - The Enfield rifle cartridge wsa greased with animal fat => offended the Hindu + Muslim

- · Policy of "Lapse" => dissolving princely states without direct heir
- \* Felt like that the religion was under attack
- \* Mutiny spread across India, but it was eventually quelled after a year because it was not unified
- \* CLAIM: this showed that the Indians were discontent with British rule
- \* Aftermath
  - · Mutineers were punished harshly
  - · Mughal Empire formally abolished w/ the king exiled to Burmar
  - · In Nov 1, 1858, the Queen assumed control of India => direct parlimentary control
  - · Assured that indian religions will not be interferred with
  - · Rights and territories of princely states won't either
  - · Reorganized to increase Britons in the Indian army
  - · Harsh feelings divided India, CLAIM: leading it to gather the new goal of turning India into a US/Europe nation state

## · India and Europe

- Initially worked under a interference policy
  - \* Goal was not to take over
  - \* All had the shared goal of making money for the Company
  - \* Minimal government for the goal of law-and-order
- Jesuits spreader Christianity => Beschi very successful. BEI.C eventually prohibited it.
- Family and civil disputes settled based on religious court; criminal and contract law were made uniform => law that hinged on religion remained a problem until this day
- Company took the stance of minimal interference in land revenue, too!
  - \* Created policy of settling revenue in obligation to zamindars
- CLAIM: minimal interference came under pressure during attempted Indian reform to European values
  - \* Newly settled land identity on individual cultivator
  - \* Government reached every cultivator directory + not through landlords
  - \* New reformation movements Utilitarinasm => governmental reform, and evangelical movement => social reform
- This reforantion ebbed and flowed: Britian, after 1857 rebellion, decided that they overdid it and tuned down the reformation
- European reform of India
  - \* New family + kinship rules
  - \* Brought the idea of popular soverenty as a cool governmental model
  - \* Higher respect for learning, science, and technology => turning India from the centre of learning to not and to respecting learning again due to THE INDUSTRIAL REVOLUTION
