- 2 | germany and russia are both looking each other with paranoia
- 3 | because germany industrialized fast and russia has lots of people
- 4 | from 1880 to 1913, germany's manufacturing output share (of the world) doubles (table 18)
- 5 | table 19: everybody is amassing military, and nobody can be sure that the others aren't going to attack (security dilemma)
- 6 | table 20: great britain builds up it's navy (and is scared of germany because they've gone from 88k to 1.3M tons)
- 6.1 | dreadnaughts: germany comes up with a ship that makes all others obsolete, and an expensive arms race insues
