1.1 | **questions**

- nc,s1,9
- nc,s2,14

1.2 | **review!**

main purpose questions should be done at the end of the passage

the word "detail" is almost wrong. be skeptical of it! really think about general

q: what does "needing clarification" mean? a: when you define things, and need to explain the definitions?

always offset names with a comma!

1.3 | **hw**
